

Information regarding the City of Mainz accommodation tax

Dear guests,

Starting July 1, 2026, the City of Mainz will levy an accommodation tax on overnight stays. The tax is calculated per guest per night and serves to support tourism and municipal infrastructure.

The calculation is based exclusively on the price of the overnight stay itself; breakfast and other additional services are excluded. The tax applies to all overnight stays, including business trips.

Accommodation tax rates per guest:

- Accommodation price of €20.00 to €50.00: €2.00
- Over €50.00 to €100.00: €3.00
- Over €100.00 to €200.00: €4.00
- Over €200.00: €5.00

For double rooms, the room rate is divided equally among the guests staying in the room for the purpose of this calculation.

The accommodation tax will be listed separately on your invoice. If you have any questions, please contact the city administration (Department 20.03 / bba@stadt.mainz.de).

Thank you for your understanding.

We wish you a pleasant stay at Hof Ehrenfels!
